Academic Success Coaching

A guide to planning your Academic Success at the University of South Carolina.

What Academic Success Coaching Does

Academic Success Coaching offers all undergraduate students at the University an opportunity to discover their strengths and plan for their success in college.

Over three scheduled appointments, Coaches help students set academic and personal goals and share resources to help students achieve their goals.

Academic Success Coaching is...

Academic Strategies

Academic Success Coaches can help you learn strategies for college success. Learn about study habits, test-taking strategies, time management, test anxiety, and more!

Academic Advisement

Need help navigating academic advisement? Academic Success Coaches can talk to you about your major, your progression towards degree completion, and your plan for graduating.

Involvement on Campus

Academic Success Coaches are knowledgeable about opportunities to make the most of your college experience. Work with a Coach to create your plan to get involved on campus!

Strengths Identification

It's important to know what your strengths are so you can use them to your advantage. Academic Success Coaches can help you identify your strengths to help you achieve college success!

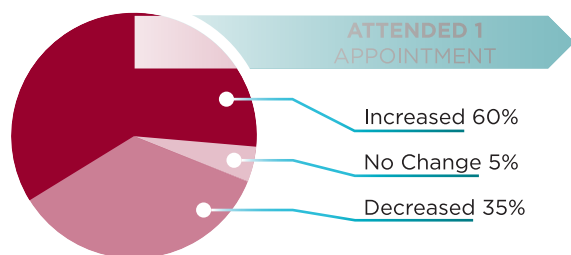

Navigating Campus Resources

Ever feel overwhelmed by the amount of resources on campus? Academic Success Coaches can connect you with the right resources that will help you on your path to college success.

Does Academic Success Coaching work?

Every semester we collect data from our campus partnerships that proves Academic Success Coaching DOES work.
