

CAROLINA CAREER READY

CORE CAREER COMPETENCIES

Technology

Stay current. Stay capable.

Use digital tools and technologies ethically and effectively to enhance learning and productivity.

Build it at USC.

Attend campus tech workshops, explore digital platforms, or complete a virtual internship.

Example Behaviors:

- Use technology to collaborate and communicate efficiently.
- Learn new tools relevant to your field.
- Protect digital security and privacy.
- Apply tech to improve problem-solving or creativity.
