

IMPACT MOORE

Access, Opportunity and Community Engagement

INVESTING IN THE FUTURE OF BUSINESS LEADERSHIP AT THE DARLA MOORE SCHOOL OF BUSINESS

Supporting the Moore School is more than just a donation – it's an investment in the next generation of business leaders. Today, these leaders begin their journeys as ambitious students, driven by a passion for higher education. Through innovative pipeline programs, the Moore School identifies top talent and provides the tools, knowledge and resources they need to excel in the competitive business world. Your support helps cultivate a thriving environment where education transforms the lives of Moore School students by opening doors to life-changing opportunities and connecting them with a community that is invested in their success

OPPORTUNITIES FOR INVESTMENT

BUSINESS SUCCESS ACADEMY

Offers a transformative five-day residential experience at the Moore School for rising high school juniors, seniors and select incoming first-year students, designed to inspire and prepare South Carolina's future leaders through immersive business education and hands-on learning. Throughout the program, participants receive high-caliber, focused instruction in the core business areas including accounting, economics, data analytics, marketing and business communications.

POWER FORWARD

Provides a path to enrollment at the Darla Moore School of Business, career mentoring, field studies, conferences and other programming for local high school students. The program seeks to pique students' interest in business careers while linking them to the unmatched resources at the world-renowned Moore School. Throughout the year, students come onsite to engage with faculty, meet current students and explore transformative opportunities.

TRANSFORM THE FUTURE OF BUSINESS LEADERS WORLDWIDE – invest in Moore School students today!

OPPORTUNITIES FOR INVESTMENT CONTINUED

RISING SCHOLARS

Connects South Carolina students pursuing degrees at the Moore School with vital campus opportunities and resources. This program creates a vibrant living and learning community where first-year students become part of a dedicated cohort focused on leadership development and academic excellence. Throughout their journey at the Moore School and beyond, Rising Scholars benefit from personalized support and a strong network, preparing them for success during their studies and in their careers.

SCHOLARSHIPS AND FELLOWSHIPS

Bridges the financial gap for students, granting them access to experience a transformational Moore School education. By offering essential financial support, these awards empower talented students to move from envisioning possibilities to seizing real opportunities.

Student clubs and organizations are an important part of the Moore School student experience that encourage community engagement and meaningful networking while fostering an inclusive climate. Scan here to learn more about these groups, how you can get involved or how you can support them.
